# Product Warranty

## I. Inspection result

Complete machine inspection	Inspector	Inspection date

## II. Product Maintenance and Repair

1. The customer should use products in accordance with the operating manual. The warranty period is one year since purchase date on Product Warranty Card Receipt. For customers who have not sent or faxed the Product Warranty Card Receipt to our company, the product can be guaranteed for one year by right of factory number on product.
2. For repairing due to misuse or out of warranty period, the material cost will be charged at actual cost.
3. If the damage is caused due to carriage when the customers again deliver the product to their supporting company after safe arrival of product, it will not be covered under warranty.
4. After the customer fills in the Product Warranty Card Receipt correctly, and sends or faxes it to our company, the company will conduct quality tracking for product, and provide corresponding advisory services.
